A selection of Colin Gibson Sermons and Reflections

About a dozen of Colin's sermons and reflections have recently been uploaded onto the Parish website under Articles (Sermons).

Website: <https://www.dunedinmethodist.org.nz>

Click on Articles in the banner and the sermons will be listed; just click on the one that interests you and then download the attached pdf.

"The precious wholeness of things - a short reflection on the Lampedusa cross" is well worth a look. If you don't want to use a computer, print copies of the sermons are in a folder on the table in the foyer which you are most welcome to borrow (and return). This folder also has copies of the sermons that David Poultney has preached at Mornington. It is an excellent resource.

Please can door stewards put a copy of printed sermons when available into the folder as a record of services.
