Key Points from Parish Council

Parish Council met on Wednesday, while it was a fairly short meeting we would like to advise you of some key points.

1. That the Mornington Leader's Meeting has approved with Feldspar for project management of the Hall Strengthening project. Both major hall hireeres, the Toy Library and the Renshuden Judo School have been informed about the project. All care will be taken to ensure the Church is open for Sunday worship and there is toilet access.
2. We are very pleased to report that the Government has actioned a decision made by Cabinet in November to put \$19.7 million into a MMS programme; ENGAGE.
3. The house that the parish owns on Queens Drive is now vacant and very extensive renovation and upgrading is underway prior to putting the house on the rental market again.

Mornington – Cleaning Fund

The fund we use to pay for cleaning at Mornington is running low and contributions are appreciated this is especially important as Leader's Meeting has decided as a matter of equity to pay our cleaner the living wage. Your contributions are appreciated.

Mornington – WiFi Fund

Likewise the fund for our WiFi package, which we use for streaming our services is running low, your contributions towards this would be appreciated.
