MORINGTON FELLOWSHIP

At our September Fellowship meeting Peter Mackenzie told us of his passion for creating, restoring and repairing stained glass windows. Peter began his study of the craft in Australia and was fortunate to be mentored by world experts who taught him the skills of painting and firing the glass pieces.

During our recent Hall renovations Peter has meticulously cleaned and repaired the damage to our stained glass windows exposed in the upstairs room. These treasures have been restored to their former glory for the generations of future hall users to admire.

METHODIST CONFERENCE

We are looking forward to hosting Conference at Morington in November, if you would like to help in offering hospitality, in serving tea and coffee and laying out snacks for morning and afternoon breaks please contact David, Cam or Richard.

We are looking for people who might do some baking, again just let us know.
