Gibson Talk Series 3

Dr Liesel Mitchell for the first Gibson Talk Series 3, 2026 to be held on Wednesday evening 7pm, Mornington Methodist Church on February 25, 2026.

The Wonderful World of Sleep

Join Liesel Mitchell as she takes us on a journey into sleep - one that hopefully keeps everyone awake! This talk will question our cultural attitude to sleep, explore scientific knowledge about sleep, note how sleep is affected by and foundational to everything we do, and highlight what this might mean for a culture and work mindset that invests in keeping people sleep-poor. What are the wider implications for our society if we are reinforcing a culture of sleep deprivation? How does this affect our already over-burdened health system? And what are the flow-on effects to our educators, law-enforcement, leaders, decision-makers, workers, parents and families? In other words, sleep has roots deep in every part of our social fabric, yet are we awake enough to notice the impact of poor sleep? Come along for some thoughtful provocations with Liesel as she delves into the wonderful world of sleep.
